The Dolls Villa stimulates group play in nurseries and schools, as in the British International School in Warsaw. Each day, the children can add to the stories they invent. Corr | teacher Ireland: "I am lucky enough to have a Dolls Villa in school, love it 7 years on & still as good as new."

"Oh wow! No plastic, no pink, no shapeless design that takes kids for idiots... The Dolls Villa is Just a simple and clean design, that helps kids to learn something we should all instil: less is more. Sharp details." | Bing Bang Pouf Québec Canada | architect Marianne Charbonneau.

Child psychiatrist NL: "The Dolls Villa is a superb tool for making contact with children, particularly children who have difficulty expressing themselves verbally. It is used to help with several problems: attachment, abuse, domestic violence, behavioural problems, neglect."
